Lesson 2
Computer

- What can you see in this picture?
- What do we use these things for?

In this lesson, we will learn to **talk about computer devices:**

- name some computer devices;
- describe the use of some computer devices;
- practice expressions to talk about some computer devices.

Key words:

mouse
monitor
keyboard
headset

Key Words

Learn the new words and match.

- keyboard
- mouse

- monitor
- headset

Vocabulary Check

Circle and name the computer device.

My Computer Class

Your teacher in computer class asks you to name the computer devices based on the sentences he reads.

1. It allows us to listen to sounds from the computer.
2. We move it to move the cursor on the screen.
3. We use it to type words.
4. It shows pictures and words.

Key Sentences

Read and share your opinions.

1. There's something wrong with the **mouse**.

Questions:

1. The cursor on the screen doesn't move when you move the mouse. What will you say?
2. Some computers like laptops have touchpads. Would you prefer a touchpad or a mouse? Why?

Key Sentences

Read and share your opinions.

2. My **monitor** doesn't show any pictures.

Questions:

1. How can you tell when there's something wrong with your monitor?
2. Too much screen time is bad for the eyes.
How many hours should children spend in front of the computer?

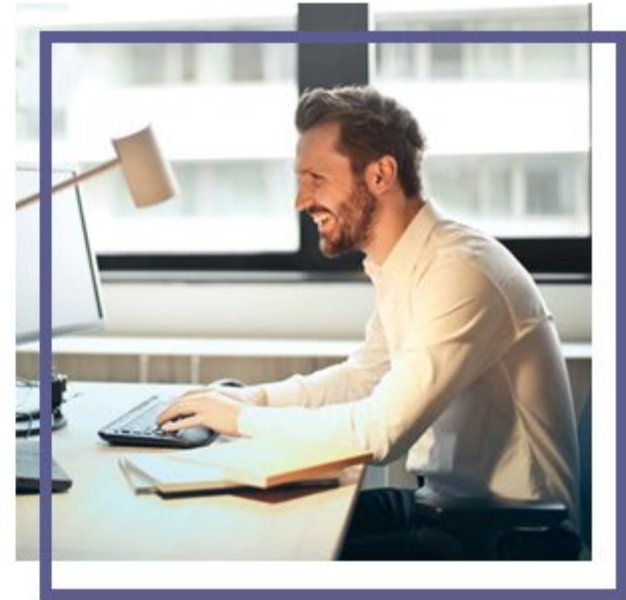

Key Sentences

Read and share your opinions.

3. Use the **keyboard** to type a word.

Questions:

1. What do we use a keyboard for?
2. You are having your classes online these days.
How important is it to learn how to type?

Key Sentences

Read and share your opinions.

4. Have your **headset** fixed at the computer shop.

Questions:

1. Where do we take our headset or speakers to have them fixed?
2. Some use speakers with their computers. Which do you think is better to use? Why?

Conversation

Listen to the audio and do a role play.

John tells Yuka that her monitor is broken.

John

Your monitor doesn't show any picture.

John

It doesn't work. I think you should have your monitor fixed.

I will take my monitor to the computer shop.

Yuka

Use the keyboard to type a word.

Yuka

Semi-open Role Play

Make a role play with your teacher with the given scenario and hints.

Scenario

You just bought a new headset and it's not working. Tell your dad about it and ask for help.

- Hints:**
- My... doesn't work. I just bought it.
 - I think I should have my...replaced.
 - We will take your...to the...shop.

Review

Write TRUE or FALSE in the blanks.

Self-check

The Gadget Show

Hi, I'm Erica! And I'm going to show you some of our gadgets.

- ___ 1. A monitor does not show pictures or words.
- ___ 2. We can type words using a keyboard.
- ___ 3. A mouse is used to move the cursor.
- ___ 4. We use a headset to see pictures on the monitor.
