General review

Fill in the blanks with the correct words you learned from this unit.

Modern Conveniences

Life is easier today because of technology. At home, we can wash our clothes using the w_____ instead of washing them by hand. In schools and offices, we can type words using a k_____ instead of writing them down with pen and paper. To travel, people can go to the s_____ to take the train. If they want to go to farther places, they can go to the airport to take the a_____.

Technology has also improved entertainment. Amusement park rides are now popular, like the r_____ where we ride on cars that go round and round.

These modern conveniences help us live our lives with comfort so, we should put them to good use.
