## General review

Fill in the blanks with the correct words you learned from this unit.

There are various ways to share your culture with others. One of these is through wearing your country's national costume. In Western countries like Austria and Scotland, locals showcase their folk costumes on special occasions. In Austria, for example, women wear a d\_\_\_\_\_ while men wear a l\_\_\_\_\_ on a festival called Oktoberfest. It's a casual gathering where guests greet one another by c\_\_\_\_\_ and waving of hands. On the other hand, in Asian countries like South Korea and Japan, traditional costumes are often worn on formal events. For instance, most elderly Korean prefer wearing their h\_\_\_\_\_ on celebrations like w\_\_\_\_\_, birthdays, and New Year.
