ENGLISH PHONETICS

2

Lesson 27
/eɪ/ & /eə/

Listen to the words.

bay

bear

Review the sounds.

/eɪ/

/eə/

/eɪ/

Differentiate the sounds.

/eə/

the tongue is in the middle and pushed forward at first, then raised a little higher and relaxed

the tongue is in the middle and pushed forward at first, then keep it centered and relaxed

/eɪ/

Listen, repeat, and then read.

pay
hay
stay
way
day

/eə/

pair
hare
stare
wear
dare

Listen, repeat, and then read.

must stay fair

should say a prayer

the way to the stairs

a day for the parents

Listen, repeat, and then read.

I **wear** my coat on the **way**.

Dare to dream of a good **day**.

He is **paying** for the **pair** of shoes.

The dog **stayed** still and **stared** at me.

Identify if both words have the same vowel sound.

- | | | | | |
|-------------------------|-------------------------|---|-------|------|
| <input type="radio"/> Y | <input type="radio"/> N | 1 | swear | sway |
| <input type="radio"/> Y | <input type="radio"/> N | 2 | weigh | stay |
| <input type="radio"/> Y | <input type="radio"/> N | 3 | hair | heir |
| <input type="radio"/> Y | <input type="radio"/> N | 4 | day | dare |

Match the words to form minimal pairs.

bay

hay

shade

phase

hair

fares

bare

shared

Tell if the sentence is **True** or **False**.

- 1 The word **hear** has the **/eɪ/** sound.
- 2 The word **parent** has the **/eə/** sound.
- 3 The word **air** has the **/eɪ/** sound.
- 4 The **/eɪ/** and **/eə/** are diphthong sounds.
- 5 The **/eɪ/** and **/eə/** sounds start differently.

Listen and do the pronunciation tip.

Final Sound Check!

Both /eɪ/ and /eə/ sounds begin with the /e/ sound. You should pay more attention to how they end. The /eɪ/ sound ends with some tension, while the /eə/ sound ends in a relaxed manner.

TONGUE TWISTER!

Eight hares in the bay
are sharing a glare
straight at the bears.

WELL DONE!

Sounds:

/eɪ/ & /eə/
