ENGLISH PHONETICS

3

Lesson 06

/ð/ & /d/

Listen to the words.

then

den

Review the sounds.

/ồ/

/d/

/ð/

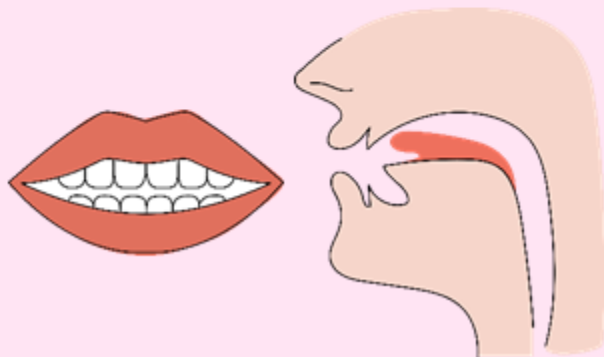

Differentiate the sounds.

/d/

release air to make the sound
the tongue is between the
upper and lower teeth

block the airflow first, then
release air to make the sound
the tongue is behind the teeth

/ð/

Listen, repeat, and then read.

/d/

they
there
loathe
worthy
breathe

day
dare
load
wordy
breed

Listen, repeat, and then read.

the feather duster

delightful weather today

guided the other children

breathe deeply before diving

Listen, repeat, and then read.

She loath**ed** load**ing** boxes.

All animals breath**e** and breed**d**.

I **d**are you to go **th**ere at night.

They like camping on a sunny **d**ay.

Listen and discuss.

Fricatives and **Plosives**

Fricatives like the /ð/ sound are consonant sounds produced by the air escaping through a small passage in the mouth. **Plosives** like the /d/ sound are made by blocking and then suddenly releasing the airflow, creating a burst of sound.

Listen and tick (✓) the word you hear.

1

Dan than

4

dough though

2

dye thy

5

den then

3

dare there

6

doze those

Listen and write the words in the correct column.

wordy

tide

dare

there

clothe

other

worthy

doe

/ð/

/d/

/ð/	/d/

Listen, read, and then **circle** the /ð/ words.
Underline the /d/ words.

- 1 The dog ate the dough.
- 2 She had red leather shoes.
- 3 The birds are on the tree.
- 4 I am playing with my dolls.
- 5 They are playing hide-and-seek.

TONGUE TWISTER!

Dotty, the dog, discovered
a feather beneath the
smooth leather.

WELL DONE!

Sounds:

/ō/ & /d/
