An Essay Evaluating Two Sides of Something

If you're required to talk about a topic and explain the two sides or aspects of it, the writing structure below may be helpful.

Now we're going to read a model essay. Can you find the five parts?

▶ Pros and Cons of Buying Branded Clothes

Buying branded clothes is a popular trend among teenagers, but is it always the best choice? Let's explore the pros and cons.

Branded clothes offer distinct advantages. They usually feature top-quality materials, ensuring durability and comfort. Plus, owning branded items can boost one's social status and self-esteem.

However, there are also significant disadvantages. Branded clothes are often pricey, making them inaccessible to many. Furthermore, over-reliance on branded items can foster a materialistic mindset.

Personally, I believe buying branded clothes should be a matter of choice, not obligation. While they offer style and quality, one must also consider cost and value.

In conclusion, branded clothes have their appeal but come with costs. It's important to strike a balance between fashion and financial responsibility.

Find the five parts in text and match the labels to each.

In conclusion, branded clothes have their appeal but come with costs. It's important to strike a balance between fashion and financial responsibility.

- Use this structure to write an essay evaluating two sides of a topic.

- Here are some good expressions and linking phrases for essay writing.

1 Let's explore the pros and cons.

2 ... offer distinct advantages.

3 However, there are also significant disadvantages.

4 Personally, = (in my view)

The background features a close-up of several credit cards, including a blue Visa card and a gold American Express card. A large, semi-transparent yellow triangle is overlaid on the right side of the image. Scattered throughout the background are several small, solid-colored circles in shades of blue, orange, and purple.
