

Day 15

Making a Suggestion or Request

☆Making a Suggestion or Request

Even if the item begins with question words (such as *why* or *How*), the question is not necessarily a WH- Information question. It could be a suggestion, request or an offer. Each of today's expressions is either a suggestion (1 to 5), a request (6 to 8), or an offer (9 & 10). The answer will usually be either an agreement or disagreement with the suggestion or request, plus a reason for agreeing or disagreeing (e.g., *that's a good idea, but . . .*).
