## THE NEW COMPANY GYM!

To promote employee health and fitness, the management has decided to build a new gym with the extra revenue generated this year. The area on the third floor that was previously used for equipment storage has been cleared and completely refitted with all the latest gym equipment.

To encourage employees to make use of this excellent, new facility, 30-minute workout slots will be assigned to each employee during working hours. Gym use is also permitted outside working hours, but a booking system may be introduced if the gym proves to be popular.

Each department will be given a gym induction tomorrow in which you will meet the gym instructor, receive instructions and demonstrations on how to use the equipment, and have the opportunity to choose an exercise program. Induction times for each department will be posted on the main noticeboard in the hallway.

Gym opening hours are from 6.30 A.M. to 10 P.M. Monday to Saturday. The gym will be closed on Sundays.

Of course, use of the gym is not obligatory, and employees with any long-term physical conditions are required to receive a medical check-up before making use of the new facilities.
