

Day 40

Part 4:PRACTICE QUESTION 1

Drivers who use highway 14 are advised to take a different route to work today. There are long delays at Junction 7 due to a multi-vehicle accident. If possible, commuters are asked to use the subway on their way to work this morning instead. The police have informed people that all lanes should be open 11 A.M., so delays should be expected for the next 3 hours. In addition, there is increased traffic on other routes in the nearby area because of the accident. Tune in for traffic updates every 30 minutes.
