**Who is tall
taller
the tallest?**

_____ is tall.

_____.

Read the passage

Amazing Facts about the Blue Whales

Blue whales are the biggest animals ever lived on earth. Blue whales are even bigger than the dinosaurs. A blue whale is longer than 2 buses, and its heart is the size of a car. Blue whales aren't just big, they're loud, too. A blue whale can make louder sounds than an airplane. Do you know more facts about the blue whales?

many ----> more

Answer the questions

Is the dinosaur
bigger than
the blue whale?

Who/what can
make **the loudest**
sound?

Do you know
more about
the blue whales?

Did you go to the **aquarium** before? Share your experience with your teacher.

Alice and Annie are in the aquarium.
